USURPER!

You are Avenger, a Ninja warrior trained in the Way of the Tigar, an outstanding master of the martial arts.

At last, having overcome the forces of Evil which conspired against you, the Grandmaster of Dawn reveals the secret of your long-dead father's identity – The King of Iremuncast. You are the heir to his title and must cast down the cruel Usurper and take back the crown which is rightfully yours.

The Way of the Tiger projects role-playing adventures into the future. Using the innovative combat system, you choose the martial arts moves with which to defeat your opponents. To triumph you will need to use to the full the skills of the Ninja and the knowledge you acquire in the course of the action.
